About the Webinar

In the Pandemic situation around the world wide created by novel coronavirus (COVID-19), we are not free from its wrath though. In such a worst situation in the country, we are about to welcome the National Education Policy-2020. And here we feel there requires a lot of discussion about this policy. So keeping the digital platform in mind, the Department of Education of Bankura University is going to organize an One-Day National Level Webinar on the brand new National Education Policy – 2020.

It is an established fact that teachers are the nation builder and harbingers to change the nati and so the all-round success of the new National Education Policy – 2020, depends on the teachers of our country. Therefore, this webinar aims to focus on to discuss about the knowledge, need, implications, and problems of National Education Policy – 2020 on school education and teacher education.

Target Participants

Through this webinar it is requested to all the teachers, academicians, research scholars, and students to take participate to the program.
