About the Webinar:

To balance and manage emotions is always challenging for human beings since stimulus- response is a complex working process of human mind. A pandemic situation is indeed an emergency situation where desperation rules everywhere. Therefore, in this juncture, it is highly needed that not only we collect ourselves sanely but also manage and use our emotions for overcoming pandemic challenges.

Considering the present situation, this webinar, aims to provide means of balancing inter- personal and intra- personal emotions through useful discussions on ‘Emotional Intelligence’. Further, this webinar also aims at nurturing empathy through proper analysis of emotional faculty of the human mind and targets to educating the same, which is the need of the present-day scenario.
