Department of Sanskrit

Syllabus for M.A in Sanskrit (CBCS)

CHOICE BASED CREDIT SYSTEM (CBCS):

The CBCS provides an opportunity for the students to choose courses from the prescribed courses (Core Courses, Foundational Courses, Elective Courses). The courses can be evaluated following the grading system.

Outline of Choice Based Credit System:

1. Core Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course. Here there will be two kind of Elective courses, one is major and another is minor. Major elective course would direct students towards specialisation. Minor elective course is to be taken from other departments.

3. Foundational courses are to be conducted by university. The course will have internal assessment only. It would be a non-credit course. But candidates are required to obtain as Satisfactory to become eligible for the award of P.G degree.

4. In each semester except 3rd semester an assignment work may be given in lieu of a discipline specific elective paper.

5. This syllabus tries to aware students of the holistic approach of Sanskrit literature and as well as the modern studies, researches and approaches towards Sanskrit Studies. In most of the courses, especially in core courses and in major elective courses the medium of instruction in the class will be Sanskrit. The questions will be framed in Sanskrit language with Devanagari script and the medium of answer also will be Sanskrit with Devanagari script. In Linguistics course and in Computational Linguistics course English language will be used as the medium of instructions and the medium of answers and as well as the medium of questions along with Sanskrit. Each Paper is of 50 marks, having 4 credits. In each paper except in the assignment paper 10 marks is kept for Internal Assessment and the end Semester exam would be of 40 marks.
