Professor Rup Kumar Barman
Honorable Vice-Chancellor, Bankura University

Advisory Committee:

Professor Rup Kumar Barman, Vice-Chancellor, Bankura University
Professor Jayanta Kumar Saha, Dean, Bankura University
Dr. Saurabh Dutta, Registrar, Bankura University
Professor Ashutosh Ghosh, Vice-Chancellor, Calcutta University
Professor Nitin Chattopadhyay, Jadavpur University
Professor Ajay Kumar Misra, Vidyasagar University
Professor Subrata Kumar Dey, Sidho-Kanho-Birsha University
Professor Kallol Kumar Ghosh, Pt. Ravishankar Shukla University
Professor Kaushik Mallick, University of Johannesburg
Professor Bimalendu Ray, The University of Burdwan.

Organizing Committee:

Dr. Jaya Pal, TIC, Dept. of Chemistry, Bankura University
Dr. Abu Taher, Dept. of Chemistry, Bankura University
Dr. Ram Chandra Maji, Dept. of Chemistry, Bankura University
Dr. Amit Kumar Mandal, Dept. of Chemistry, Bankura University

Departmental Instrument Facility:

UV-VIS Spectrophotometer

'International Conference on Current Trends in Chemistry' (ICCTC-2025) is being organized by the Department of Chemistry, Bankura University, India on 23rd December, 2025. This international conference intends to bring the eminent scientists, and young researchers from several disciplines across India together to provide a common platform for sharing their achievements and newer directions of research. The ICCTC-2025 conference is focused on broad area of recent advances in chemistry. Interested faculties, research scholars and students are requested to attend the conference.

The Chemistry Department, Bankura University

The department of chemistry has started its promising journey in 2017. This department began with two-year postgraduate course in Inorganic, Organic and Physical chemistry. Later on, Ph.D. in chemistry has been introduced in 2019. From the department, already a good number of students qualified CSIR-NET, UGC-NET, GATE, SET examinations. Besides quality teaching, the faculty members are trying to contribute a lot to elevate the prestige of the university through their research activities. All the faculty members received research grant from ANRF (SERB) and WBDST. The department is striving hard to create a niche for itself in national domain of teaching and research for the betterment of the students.

Invited Speakers

Professor (Dr.) Kaushik Mallick
Department of Chemical Sciences
University of Johannesburg, South Africa

Professor (Dr.) Amiya Kumar Panda
Vice-Chancellor
Rani Rashmoni Green University, Singur, India

Professor (Dr.) Goutam Sheet
Department of Physics
IISER Mohali

Dr. Somenath Maji
Associate Professor
Department of Chemistry
IIT Hyderabad, India

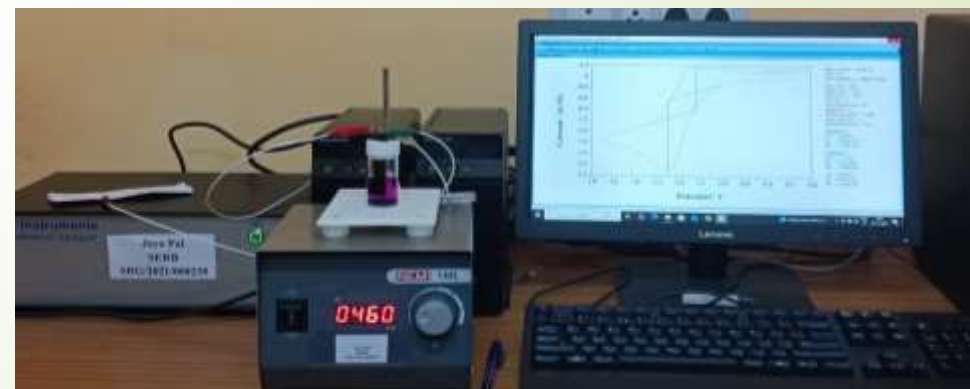

Dr. Ujjwal Mandal
Assistant Professor
Department of Chemistry
The University of Burdwan, Burdwan, India

Departmental Instrument Facilities:

FTIR-Spectrophotometer

Electrochemical Analyser
